

M4/396/2012/DPI

Directorate of Public Instruction,
Thiruvananthapuram.

Date: 3-9-2012.

From

The Director of Public Instruction.

To

All Deputy Directors of Education/
All District Educational Officers.

Sir,

Sub:- International year of Chemistry-Training of 200 High School
teachers-regarding

Ref:- IRTC/422/17 C-C/372/12 dated 1-8-2012.

As per the reference cited IRTC Director has requested the General Education Department to give adequate assistance to train the chemistry teachers of 38 Educational District as part of International year of Chemistry 2011.

The first step is to train 200 teachers from 38 Educational District who are the District Resource persons, in turn train the Chemistry teachers in all schools. The District level training will be led by the Revenue District Science Club Secretary in the Educational district. The first level DRG training will be conducted by IRTC. The details such as list of DRG, training date, venue etc will be informed by the IRTC.

Hence you are directed to give instruction to Headmasters of the schools where the DRG are selected for the purpose and will be relieved in time to attend the training. So also further teacher training in each district will be monitored and reported to Director of Public Instruction and IRTC in due course. Adequate direction be given to RDSCA Secretary to conduct the training. No TA/DA will be paid by the Department.

Yours faithfully,

For Director of Public Instruction
