**DISHA 2016**

**MOCK ENTRANCE EXAMINATION**

**KERALA SCHOOL TEACHERS ASSOCIATION INITIATIVE  
NOTIFICATION**

KEAM (Kerala Engineering, Agriculture and Medical) is a state level entrance examination for the admission to various colleges and institutions located in Kerala state for UG programmes. The KEAM is conducted by the CEE (Commissioner of Entrance Examination) Kerala. The examination is also known as the CEE Kerala exam. Based on this CEE Kerala pattern, as part of the SILVER JUBILEE celebration KSTA is launching a MOCK ENTRANCE EXAM for +2 students. Officially the Mock Entrance Exam will known as DISHA. The Exam will be following the KEAM 2016 Common Entrance Exam pattern. Attractive prizes will be given to toppers in District and State level.

**Eligibility for DISHA 2016**

The aspirants who are focusing on KEAM 2016 conducted by the CEE (Commissioner of Entrance Examination) Kerala can appear for the exam.

**DISHA 2016 Registration**

The [DISHA 2016 Registration form](#) will be available on KSTA website. As part of the SILVER JUBILEE celebration programme the registration form will be distributed in Schools. The candidate must fill the form and should hand over to whomever concerned. The duly filled and signed registration form will be uploaded to KSTA website through concerned District Secretary. The Admit Card obtained from the site bearing the Hall ticket number, name of the exam centre, timetable and receipt of the registration fee should be handed over to the concerned students. Concerned District Secretary will be responsible for the registration of each candidate.

### Exam Pattern

The DISHA 2016 will be following KEAM 2016 CEE Kerala pattern and syllabus asked in two papers of engineering and medicine. Each paper will be comprised of 120 questions with five suggestive answers. The total marks will be 480 and each paper will be asked in the duration of 2.5 hours. 4 marks will be given to correct answer and one mark will be deducted for each wrong answer. There will be 4 exams in total and a candidate can appear in one stream either Engineering or Medicine not both. The morning session (10.00 am to 12.30 pm) will have two exams one EE (Physics & Chemistry) and the other ME (Chemistry & Physics), to avoid confusion both the question will be printed in different colour. The afternoon session (02.00 pm to 04.30 pm) has two exams one EE Mathematics and the other ME Biology, to avoid confusion both the question papers will be printed in different colour.
